

PATTERN PLAY COLLECTION  
FULL SWING

Colour Shown: Fresh Water (5 colours available)  
Product Code: SB015023001

Damask patterns tend to be some of the most formal and traditional fabrics in the market. The Studio B interpretation is much friendlier due to the loose drawing and painted technique used to achieve the forms. The bright colorways tend to make it more whimsical while the subtle colorways bring out the sophisticated charm.
